## **BOOKFORGE Is Moving To PACA**

### **New bindery/Studio Space at Performing Arts Collective Alliance**

**ERIE, Pennsylvania – September 1, 2022** – BOOKFORGE today announced

To support our growing bookbinding & book restoration business and to provide an ideal environment for book arts workshops and demonstrations, BOOKFORGE is moving into a new bookbinding studio space, in the historic landmark Performing Arts Collective Alliance (PACA) building, on September first of this year! The PACA building is in downtown Erie, Pennsylvania at 1505 State St.

“This is a very exciting moment in BOOKFORGE’s history. We are moving away from being a remote home-based business to a very accessible part of Erie’s downtown artist community.”

BOOKFORGE will continue to offer fine bookbinding, book restoration and repair services, conservation products and services, with the addition of bookbinding and book arts workshops and demonstrations. BOOKFORGE programs will include online and in-person options for learning.

Initially, BOOKFORGE will utilize a smaller studio space on the fourth floor until it’s intended bindery space is available. The intended, full sized bookbinding studio unit should be available in October or November.

During the transition time, in the smaller space, BOOKFORGE will maintain it’s by appointment only schedule. Once we have moved into the permanent bookbinding studio, BOOKFORGE will open to the public during regular business hours (M-F 10am – 6pm), weekends will continue to be by appointment, and BOOKFORGE will also participate in PACA events.
